SUPPLEMENTARY INFORMATION:

I. Background

As part of the settlement in the case of NAACP v. Secretary of Labor (Civil Action No. 2010-72, U.S.D.C.), the U.S. Department of Labor (DOL) negotiated with the plaintiffs a series of regulations published June 10, 1980. Employment and Training Administration (ETA) regulations at 20 CFR 651, 653, and 658 under the Wagner-Peyser Act as amended by the Job Training Partnership Act, set forth the role and responsibilities of the United States Employment Services (USES) and the State Employment Services Agencies (SESA) regarding compliance of said regulations.

In compliance with 20 CFR 653.109, DOL established recordkeeping requirements to allow for the efficient and effective monitoring of SESAs regulatory compliance.

The ETA Form 8429, Employment Service Complaint Referral Record, is used to collect and document all individual complaints filed under the ES complaint system.

The ETA Form 5148 Services to Migrant and Seasonal Farmworkers Report, is used to collect data which are primarily used to monitor and to measure the extent and effectiveness of ES services to MSFWS as a high priority target group for ES services.

II. Current Actions

This is a request for OMB approval under the Paperwork Reduction Act of

¹ DRGW is within SPT's consolidated group of companies.

² DRGW is retaining an easement for rail operations by which DRGW will continue to provide freight rail service over the properties being transferred and easement granted to SPT. Under the purchase and sale agreements entered into by SPT and DRGW, SPT may not commence rail operations over these rail lines without obtaining additional authorization from the Commission.
